Helping Japanese Churches Grow

What are you doing this summer to make a difference for eternity?

Want to share God's love in a nation where less than 1% know Him? Then bring a SUMMER TEAM to Japan to help a church grow! Your church or school can send a team of 3-5 persons for 4 or 6 weeks to a church in Japan this summer.

You'll partner with Japanese Christians to reach their community. Teach English, share testimonies, put on coffee houses, and utilize the gifts God has given you. You'll connect your new Japanese friends to your host

church which will continue the work once you leave. It won't be the easiest summer of your life, but it just may be the most significant. Not only will you grow spiritually, personally, and interpersonally, but you'll also learn how to serve, live and love cross-culturally.

Ready to be stretched and developed? Want to encounter a totally unique culture? Willing to experience God's heart for the nations? Then come to Japan this summer.

SUMMER TEAMS SPEAK OUT

"In this six week period, I have grown more than ever before in my walk with the Lord. I truly learned dependency on the Lord and that He is my source for everything. Through both the good times and bad times, God taught my heart to be constant in loving Him and the Japanese people."

Erin C., TX, 2003 & 2004

"What I appreciate about Asian Access is that they connect our students with the local church in Japan. This intercultural connection is so crucial in our students' spiritual growth. I was impressed with the very thorough training and follow-up of the Asian Access staff. I give the whole process two thumbs up!"

*Brian Medaglia,
Director of Christian Outreach,
